- |                          |                              |
|--------------------------|------------------------------|
| • Fingerprint Capacity:  | 3,000 templates              |
| • Transaction Capacity:  | 30,000 transactions          |
| • RFID Card Capacity:    | 10,000 cards                 |
| • Sensor:                | ZK Optical Sensor            |
| • Algorithm Version:     | ZK Finger v10.0              |
| • Built-in Card Reader:  | 125kHz RFID proximity reader |
| • Communication:         | RS485, TCP/IP, USB-host      |
| • Wiegand Ports:         | Input and Output any bits    |
| • Power Supply:          | 12V DC 3A                    |
| • Operating Temperature: | 0 °C - 45 °C                 |
| • Operating Humidity:    | 20%-80%                      |
| • Dimension:             | 80 X 183 X 42mm              |
